

The Sea Coast Echo

Combined with The Waveland Advocate

BAY ST. LOUIS, MISSISSIPPI, THURSDAY, NOVEMBER 12, 1964

SINGLE COPY 5¢

Sears is due

Sears Roebuck and Co. has contracted to put a 6,000 sq. ft. store in the Bay St. Louis Shopping Center, adjacent to T and Y, William Pandegras, property and planning co-ordinator for Sears' Memphis region, told the Sea Coast Echo Wednesday.

This will be the first new major retailer to locate here since the announcement three years ago that NASA's Mississippi Test Operations would locate in Hancock County.

Johns Realty Co., which is leasing the property to Sears, said it hopes construction will get under way in about two weeks. Its spokesman estimated construction time at from three to four months and reported contract negotiations with two more businesses for location in the shopping center.

Although Sears' title for the new store is catalogue sales office, half of the space will be devoted to the display and sale from stock of merchandise, primarily appliances and seasonal items. In addition, automobile tires and batteries will be stocked and installed here.

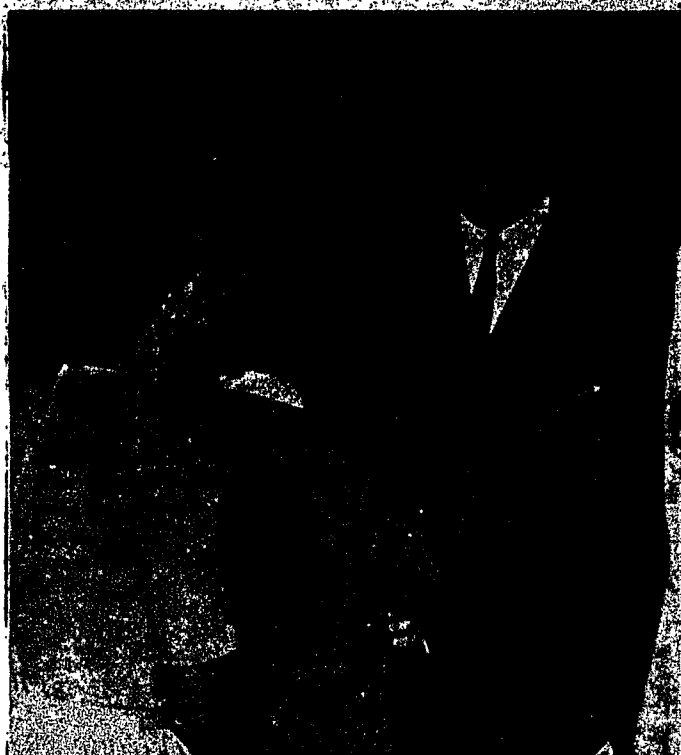

Other services to be available include a service department for appliances staffed by factory trained personnel, a telephone shopping service and a credit department.

Pandegras told the Echo that any of the over 140,000 items in Sears catalogue could be ordered through the catalogue store with a two day delivery anticipated. The reason for locating the new outlet here, he said, was to "bring Sears closer to Hancock County homes and make shopping more convenient."

MTO strike over, force peaks again

About 200 members of the Operating Engineers Union who struck all construction jobs of Leavelle-Kiewit Co. at Mississippi Test Operations are back on their jobs after an agreement was reached last Friday.

Paul Styles, NASA labor relations director, announced the settlement was signed by the National Labor Relations Board, Local 624 of the union (Cont. on Page 6.)

AT BOND ISSUE MEET - Bay school superintendent J.D. McCullough is questioned closely by two mothers at mass meeting conducted by Citizens for Progress Committee at Bay High School Thursday night to outline need for school construction proposed in \$1,183,000 bond issue which goes to school district voters Nov. 24.

NEWCOMER'S VIEW - Charles Steers, representing General Electric Co., support contractor at Mississippi Test Operations, tells audience at CPC meeting why he believes passage of bond issue for school building is essential for growth of area. Bulk of GE families transferred to MTO have located elsewhere because of poor school facilities in Bay, he said. (Photos by Ed Fayard, Jr.)

Waveland school boom seen

Superintendent of Education J.D. McCullough told trustees of Bay St. Louis Separate Municipal School District Monday night they should give serious consideration to establishing a major elementary school campus in Waveland when the present school construction program is completed. Waveland's rapid growth, he said, indicated such would be feasible soon.

He suggested students from the south end of Bay St. Louis, possibly from as far north as the Louisville and Nashville Railroad tracks, could be taken by bus to the Waveland School rather than have to walk to North Bay Elementary School. While state law prohibits the school system from transporting students to schools within the municipality in which they live, it would allow pupils living in the Bay to be driven to Waveland.

One stumbling block, size of school grounds, immediately popped up. For a new school state law requires five acres plus one acre for each 100 students. The present Waveland School site, which the trustees said they thought it ideal, contains only about 1/2 acre, according to McCullough. McCullough requested some land behind the school might be purchased at a reasonable price and, more land in the Bay to be driven to Waveland. (Cont. on Page 6.)

OK water plan

Seashore Utilities, Inc., told the board of supervisors Monday it would amend its application to the Public Service

Commission to provide water service in the Pearlington area so that only that section south of U.S. 90 including Oak Harbor and Belle Lake subdivisions would be covered.

H. Leane of the utility firm and Charles Hill, Oak Harbor developer, appeared before the supervisors with the plan after the board last week asked the PSC to withhold awarding a certificate to the firm until its proposals could be settled.

The board action withdrawing a request for a stay followed an informal conference with Best 1 Supervisor R.G. Dean and the board attorney, Lucien Gert. Leane agreed for the firm to post \$25,000 bond in case screens are torn up or damaged by installation of water lines.

Supervisor Duke Keller of Best 2 presided in the absence of R.G. Dean, Jr., board president, who has been ill at home for the last week. James Northington of Best 1 was absent also. Board members absent: Gregory in Hattiesburg. The board adjourned for the (Cont. on Page 7.)

News Briefs

CHANGE HEARING HOUR

Time for the public hearing Dec. 1 at the Courthouse called by the Corps of Engineers after objections to plans for the Interstate 10 bridge over Jordan River has been changed from 10 a.m. until 1 p.m. The afternoon hour now prevails.

FOR ENGINEERS WIVES

Corps of Engineers wives will have their bridge luncheon from 10 a.m. to 12:30 p.m. Wednesday at Annie's Restaurant, Henderson Point. Reservations should be made by Monday with Mrs. Richard Rogers at 467-7254.

TAG CHECK MONDAY

Sheriff Sylvan J. Ladner, Jr., warns effective Monday, Nov. 16, road blocks will be set up and all automobiles, trucks and trailers with expired license tags will be charged with a violation and fined accordingly.

OMISSION

The name of Mrs. J.J. Toland was inadvertently omitted from the list of Hancock General Hospital auxiliary members receiving awards for hours of volunteer work at the Pink Ladies luncheon Oct. 29.

LEGION DEADLINE

Membership drive for Clement Bontemps Post, American Legion, has been extended until Nov. 20 by special permission of the state organization. The post, which for many years has led the state in membership, now has only 300 paid to date against a quota of 144.

ON VETERAN'S DAY

Mack Herring, public affairs officer at Mississippi Test Operations, was principal speaker for Veterans' Day exercises sponsored by the American Legion on the Courthouse steps Wednesday. Special recognition was given Mrs. Dan Ziegler, sister of Clement Bontemps for whom the local post is named.

VETERANS TO MEET

Barracks 2537, World War I Veterans, will elect officers when it meets at 7 p.m. Monday at the American Legion Home.

LAST LOGTOWN HOMECOMING - Kathy Nazzari, who resigned as queen for Logtown School's final homecoming exercise Saturday is crowned by Best 1 Supervisor H.C. Dean at ceremonies preceding football game with Piquette squad. Kathy Wilkerson was king for event.

REPEATED ROCKS GO FOR 6TH OF SEASON - Members of 1964 College football team who meet Notre Dame of Biloxi in home game here Saturday night are, from left, front row, Don Boudreaux, Ronnie Genin, Jay Lafant, Malcolm Colon, Bud Antin, Jimmy Do Rhodes, Lenny Aucoin, Wayne Windsor, Bob Tessier, Guy

Fulstich; second row, assistant coach Buddy Pitale, Reid Allain, Ned Heath, Dale Burke, Curtis Matherne, Mike Ogden, Tommy Jansonne, Paul Weyer, Niel Pick, Dan Griffin, Bob Doskey, head coach Billy Murphy; back row, assistant coach Harriman Morgan, Ossie Blaise, Barry Favre, Mike Griffin, John O'Boyle, George Scherer, Eddie Bossberg, Larry Boudreaux, Mike Andrews, Rusty Judlin, Sidney Oursio, Peter Pellegrini and Rennie Guas.

ate suggests revisions

Survey of the school site in the revision of the State Education Commission were the county board of supervisors Saturday to put its latest proposals before the supervisors in the

intendant, board attorney, and the architect.

Besides diluting and shifting some of the plans for the new school at Pearlington and expansion at Gulfview and Hancock North Central Schools, Naylor urged the board to consider expanding vocational training at HNC beyond the present vocational-agriculture program so that skills useful in crafts be learned.

According to Walter J. Phillips, board attorney, and Superintendent Robert F. Ladner, Naylor expressed preference for expenditures in this line rather than extensive physical education facilities at this time and trustees appeared in accord with more vocational craft training.

Naylor suggested limiting the physical education addition to rest room and dressing room facilities at this time. They also covered some major repair work needed at HNC and Naylor told them the leakage problem was not uncommon with flat roofs and ventilators when rain water is allowed to stand any length of time.

Naylor also expressed the view that the bus shop for the county system which is proposed at HNC would be one of the "best investments of the whole program."

After hearing from Phillips on the changes in design there and at the other two plants recommended by Naylor, trustees told Fred Wagner, architect, to adjust his plans in light of the Jackson talks and scheduled another meeting at 9 a.m. this Saturday to move along with the various requirements.

The board has signified its intention of building the Pearlington plant with funds received from the federal government for the Logtown School in Mississippi Test Operations and to float a bond issue to finance construction at HNC and Gulfview. But if the bond election, (Cont. on Page 6.)

ROCKAWAY ROYALTY - Erin Heitzmann, center, will reign as queen for St. Stanislaus College homecoming game Saturday. Maids are, top left, Jackie Kingston, Ann Gottschalk; lower left, Jo Artigue and Princy Cook.

Erin Heitzmann is queen at SSC

Erin Heitzmann, senior at St. Joseph Academy and daughter of Mrs. Roger Heitzmann, will reign as queen when St. Stanislaus College stages its annual homecoming exercises this weekend.

The alumni association will elect officers for the coming year at a meeting at 2 p.m. Saturday and the old grade will

be feted at a buffet at 5 p.m. The homecoming parade will assemble on the campus at 1:15 p.m. and move to Stanislaus Stadium for the football game against Notre Dame-High School of Biloxi. The kick-off is at 8 p.m.

Miss Heitzmann will be crowned during half-time ceremonies by George L. Seuzman, Jr., president of the Sidelines Club. Ann Gottschalk, daughter of Mr. and Mrs. Charles Gottschalk, will be maid of honor. Others in the court will be Jo Artigue, daughter of Mr. and Mrs. Maurice Artigue; Jackie Kingston, daughter of Mr. and Mrs. Nolan Kingston, and Princy Cook, daughter of Mr. and Mrs. John Cook. The homecoming dance will be from 7:30 to 11:30 p.m. Sunday with music by Ernie Kados and Al White's The Matadores.

L&N changes

2 train times

Two time changes on Louisville and Nashville trains going through Bay St. Louis will go into effect Sunday.

No. 33, southbound from Jacksonville, Montgomery and Atlanta, which has been departing for New Orleans at 7:06 a.m., will now leave at 7:41 No. 34 which has been arriving from New Orleans and departing for Jacksonville, Montgomery, etc., at 7:12 p.m. is to leave at 6:27 p.m. under the new schedule.

WHAT ABOUT HERE - Waveland's Town Council last Saturday checked out on the scene the boundary corners of the area west of Waveland it wants surveyed in connection with coverage plans and possible annexation. Contemplated annexations are: seawall and northeast corner of marsh below Gutierrez Assembly to U.S. 90 just west of Elowman Gas and Outback Highway about 900 feet; then roughly parallel high-way to a pole near Peraciano's service station; and from there to the beach along the section line now separating Bay St. Louis and Waveland's contiguous limits.

We're almost afraid to mention Indian Summer—each time we do the north wind begins to howl, and it's colder than the inside of an igloo by the time we go to press. We will, however, have to say, despite the fact that the temperature is more June-like than Novemberish and each golden day seems lovelier than the previous one, it is almost the middle of November and high time to go into our annual "shop at home" soliloquy. It's difficult to think of holly and mistletoe when flowers still bloom all over, but St. Nick's visit is just around the corner—so take advantage of the large selection of gifts just brimming over in every store in town. You'll save time, money and wear and tear on your nervous system if you shop early and buy from hometown merchants. At least, give your local stores first opportunity to help you find the ideal gift for everyone on your list—look around and you'll be surprised at the wide variety available right here at home!

In the stands at Tiger stadium

Tiger Stadium was once again filled to capacity Friday night—we can safely say that everyone we've listed in previous weeks was again on hand—so enthused did some spectators become that they joined cheerleaders in rooting—Paul Reynolds and Bill Reid were waving "everybody yell" banners and Gerry Detloff's long power held out to the bitter end at a time when most were too hoarse to speak above a whisper. The home team lost the game, but not before putting up one heck of a fight!

Toddie and Lawrence Jacobi have what we think is the newest car in town. It's a lovely shade of burgundy, and oh, so, so shiny.

Before going any farther we'd best make amends for last week's goof, which were numerous, even for your aging reporter whose brain is apparently failing fast. First we must apologize to Lena and Joe Chiniche. In our write up of the lovely program in their honor by Our Lady of the Gulf School children we first called Joe Frank, then later in the same paragraph, re-named him Jack! There's a long, although not very logical explanation for these mistakes, but it's simpler to blame it on our stupidity, and again say, so sorry.

Another error—the date of St. Clare's upcoming dance is Nov. 21, not the 24th! This is somewhat more easily explained. We knew it was next to the last Saturday in the month, but unfortunately we looked at an October calendar.

And last, but not least, it was a large brown dog, not a small black one which bit Louise Neilhaus.

Jimmy Lagasse gets well wishes—he suffered a severe case of bronchitis over the weekend, Floyd Hepting was another strep throat victim but has recovered sufficiently to return to work.

Pat and Joe Vignerie doubly celebrated their ninth wedding anniversary, which was Thursday, Nov. 5. They hosted a very swish champagne supper after the philharmonic concert last Monday night complete with candle glow, snowy linens, gleaming crystal and silver, uniformed maid and an enormous centerpiece of crimson carnations, the offering of one of the guests, Rebecca (Mrs. Leo) Seal. Others included Dr. and Mrs. E. C. Samuel, Emily and Rene de Monthuzin, and Emily's mother, Rev. and Mrs. Charles Johnson, Lorraine de Monthuzin, Albie Thompson and Leo Seal, Jr.

Joan and Speedy Rhodes and sons arrived last Monday to spend the night with Speedy's parents, Mat and Nellius to be here in order to vote the following day.

Hosts for stork shower

Polly Compreta and daughter Judy gave a stork shower honoring mother-to-be Shirleen (Mrs. Larry) Brelend at their Old Spanish Trail home last Sunday. Shirleen was presented with a corsage of tiny pink rosebuds and pink, blue and white were used in the decor. Martha (Mrs. O'Neal) Cochran, the prospective grandmother, helped her daughter open gifts which were placed in a white skirted bassinet. Refreshments were served buffet style.

We've been asked to mention St. Joseph Academy Parents Club two-day rummage sale to be held Friday and Saturday, Nov. 13 and 14 in the Telhard Building on the corner of Toulouse and Main Streets.

Margie and Sidney Woods and children spent the weekend in Arabi, La., where they were guests of Margie's brother-in-law and sister, Mr. and Mrs. Clifton Bonvillian.

More bundles from heaven

More names to add to our list of bootie knitters—Jill and Gerald Gex are on the stork's list once again, and Pamie Truett looks quite fetching in her pink maternity dress. Johnnie Abers is out at last, although ligaments torn when she suffered a badly fractured ankle, continue to give her

USM ALUMNI OFFICERS—Elected during University of Southern Mississippi homecoming celebrations last weekend were eight alumni officers to serve in the coming year. They are, from left, front row: G.O. Parker '40, Magee, president-elect; Dr. James C. Wadley '55, Laurel, out-going president; Helen Hood '61, Columbia, southern district committeewoman; Mike Haas '55, Bay St. Louis, vice president; second row: Malcolm (Doug) Mims '54, Tupelo, northern district committeeman; Boyce Hathorn '51, Pensacola, Fla., at-large committeeman; Reed McRaney, Jr. '56, Jackson, middle district committeeman; and Francis Lundy '52, Gulfport, president.

trouble. . . she bemoans the fact that she's forced to wear boot-style shoes (several sizes too large) and walk with a cane; but at least she's no longer confined to the house.

Gerri and Sam Blanchard finally spent a weekend at home for a change. They've been from Golden Meadow, La., to Natchez, then to the Crescent City for three weekends, in that order.

Coffee for newcomer

Nancy (Mrs. Lucien, Jr.) Gex entertained at coffee honoring pretty, vivacious Dorothy (Mrs. Paul) Odum at her Grosvenor Place home last Thursday morning. Couldn't possibly remember all the guests' names but some included Jill Gex, Gerry Gex, Eve McDonald, Barlene Russo, Dot Phillips, Irma Levens, Peggy Hepting, Jeanne Arceneaux, Pamie Truett, Virginia Seal, Karen Steele, Pat Vignerie, Laurie Poindexter, Myrt Haas, Ann Stedtel and umpteen others.

We gave the city police force and their crew of auxiliary officers a big pat on the back for the way crowds attending Bay High and St. Stanislaus were handled both entering and leaving stadiums at the opening of the football season, but so many have asked us to repeat the compliment, we've just done it again.

Rev. Bertrand Eckert left for another Far Eastern cruise Sunday after spending a month's vacation at his Waveland home with Mrs. Eckert and their tiny chihuahua.

Karon Ireland had her brand new daughter on display for an appreciative audience in Waveland Drug last Saturday. Ann Langley looked quite maternal cradling the tiny infant.

There will be a benefit shooting match for Camille Asher at his U.S. 90 home at 1 p.m. Sunday. In addition to having lost one of his legs Mr. Asher also suffers from high blood pressure, sight impairment and loss of hearing. Anyone who enjoys shooting can participate in the sport and aid a worthy cause at the same time.

Real surprise

Bride-elect Linda Mazara-his was the most surprised young lady around when she

Art group to organize on Saturday

Steps toward formation of a Hancock County Art Association are scheduled at a meeting at 2 p.m. Saturday at Coast Electric Power Plant building, according to Mrs. Wayne T. Ducomb who is spearheading the movement.

Anyone interested in art in the area, including the new Harrison County section as well as Hancock, is invited to attend. It is hoped officers can be elected at the initial meeting.

The group will be asked to sponsor a Christmas bazaar for the Hancock Area for Retarded Children, offering sketches, water colors and charcoal drawings at modest price tags.

Another topic slated for discussion is a proposal to seek use of the old Webb School as a cultural center which is drawing support from similar organizations in related fields.

Program proposed for the year includes a lecture by Mrs. Keith Marshall of the Downtown Gallery in New Orleans, well-known contemporary collector; slide presentations and a movie on art as well as one or two exhibitions a year. The meetings will be of a working nature, running a minimum of two hours, Mrs. Ducomb said. Further information may be secured by phoning her at HO 7-6697.

Anthony Scafidi, second vice president; Mrs. S. W. Hennessey, corresponding secretary; Mrs. Paul Vegas, recording secretary, and Mrs. W. R. Pittsair, treasurer.

Mrs. Clark will head church unit

Mrs. J. W. Clark was elected president of the Hancock County Federation of Church Women at its meeting Friday at First Baptist Church.

Mrs. Frank Pike, retiring president, conducted the business session during which Mrs. Clark reported on the Week of Witness sponsored by the group last month and Mrs. J. R. Shadoin discussed projects for 1965.

Rev. Robert W. Pitman, minister of Canal Street Presbyterian Church in New Orleans, was guest speaker for the meeting. In order to do God's work successfully, he told the women, one must do it with God for without Him one will fail.

Other officers chosen for the coming year were Mrs. R. R. Ling, first vice president; Mrs.

Fitting memorial

Shortly after Mr. Kenneth Pepperdene's death a year ago the Trustees of Hancock General Hospital started a project to raise sufficient funds to furnish in super style one patient room at the hospital in his honor.

Until four weeks before his death, when he resigned, Mr. Pepperdene had served as one of the hospital's trustees since its inception. During that time he served as president for one year and treasurer for four years. More so than anyone else he was "Mr. Hospital," his other civic activities included a then unprecedented three terms as Commodore of Bay-Waveland Yacht Club, president of Mississippi Coast Yachting Assn. and of Bay St. Louis Rotary Club, member of the North American Yachting Assn. and for many years vestryman of Christ Episcopal Church.

Tuesday night while discussing ways to complete the fund raising needed to furnish the memorial room in the addition to the hospital now under construction, Administrator Thomas O. Logue suggested that the hospital's new wing be named in Mr. Pepperdene's honor. We think this is a far more appropriate memorial to Mr. Pepperdene and hope the trustees will take this action. The funds already raised could be used for a suitable plaque designating the wing.

Certainly Mr. Pepperdene's contributions to our hospital should be recognized. We think it should be recognized in some unique way such as naming a wing for him rather than furnishing a patient room in his name. Almost anyone whose friends will put up the necessary money can have a plaque put on the door of a patient room. "Mr. Hospital" rates more than that.

Pure myth

We can't possibly correct all the misinformation being circulated by those opposed to passage of the \$1,183,000 school bond proposal. In the first place we won't hear all the "bad dope". If we did, it would probably take several pages to refute.

One illustration, easy to refute, has been making the rounds in Waveland. A lot of people in that municipality, who apparently oppose the bond issue for reasons they would rather not admit, are saying that Waveland has no representation on the Bay St. Louis Separate Municipal School Board.

On the contrary, they and the so called outside area have been represented by the one elected trustee. The people of Bay St. Louis, on the other hand, have no such direct representation.

Mr. J.W. Watts, Jr., was unanimously re-elected for a five-year term on March 5, 1960, by the voters of Waveland and that area served by this school district which is not a part of Bay St. Louis. While Waveland had far more than a majority of the eligible voters, its interest in this election was so slight at that time that less than 20 participated.

There may be legitimate, if minor, objections to the school board's proposal for school construction. Nevertheless, the objections we have heard are in the class of our illustration, absolutely without foundation.

There is no truth in the rumor Waveland wants the new high school located in Waveland so much it plans an annexing the area all the way up to the high school's proposed location off Blue Meadow Road.

CLARKE COUNTY, MISSISSIPPI

BAY HIGH-NEWTON HONOLULU AS STUDY HALL—NOTE LIGHTING LACK

A Conservative View

By James J. Kilpatrick

What follows is positively a non-political address. This has nothing whatever to do with Lyndon Johnson, Barry Goldwater, Ronald Reagan, or William F. Buckley. It has nothing to do with the virtues of conservatism or with objections of the Constitution. For the moment, Britain's support of the United States is irrelevant as the views of Senator Byrd on the issue of conscription.

God bless the working wife! That is the theme of these humble positions unto a merciful Lord, God bless the working wife! And working single ladies, too!

Is Lyndon a working wife? Does Peggy Goldwater come home to face the stove? Does she Pray for her husband? How do they manage?

Take heed, husbands! Sooner or later, the day may come when you, too, will find your wife away for some extended period of time. She will be in Wilkes-Barre with mother, or in Sioux Falls with a grandchild, or off to Europe to look at the majestic fountains of Fra Lippo Lippi. Or wherever. And you will be home! Like me!

Gentlemen, do you comprehend? This could happen to you! Not for just an hour, not for just a day, but for long enough for you to face cooking and shopping and the supervision of homework for some fairly extended time. You will discover how the other half lives. You will wonder why working wives do not slash their wrists by the thousands every day at five o'clock.

For the past six weeks—say, for the past 15 years, or so it seems—your correspondent has been engaged reluctantly in these domestic researches. It has been a sobering education.

Does any ordinary male truly comprehend what it is like to be a working wife? It is like forever getting out at bridge. It is like never balancing a check book. It is like having the boss in one continuous foul mood. Gentlemen, it is unending.

You arise in the morning, and there, like a dull fried egg, is the dawn. It looks at you. And you look at it. There are the children. Breakfast awaits. It will wait, that is, as soon as you prepare it. Breakfast, in truth, is not so tough. Bacon, Eggs, Coffee, Toast. Who can fall out of these things? So the toast is burned while you are reading the paper? So you make some more toast. Toast is the cheapest thing there is. It just smells bad when it is burned.

Then you go to work. You go to work after you have rinsed out the dishes. This is because you know you could not face them later. You go to work. And you work, and work, and all the time you work, nibbling like a duck at the old subconscious, is a fretful question: What shall we eat tonight? Spaghetti? Again? Pork chops, baked beans, and apple sauce? Again?

It is the planning that kills you. Husbands, editors, friends, it is the planning that kills you. It is the certain knowledge that come 6 o'clock, or whatever, there must be meat, vegetable and potatoes, or their caloric equivalent, all emerging simultaneously from the stove, piping hot, tasty, well-seasoned, not testing like old riding boots. In order for these miracles to be achieved, it is first necessary that the meat, potatoes, and whatever, be on hand. This means shopping. It means the compilation of lists. This means the comprehension, in some moment of groggy genius, of the slide-rule complexities the packages put on every shelf. It means tonight we will have this, and tomorrow we will have that, and Thursday we will have this-and-so, and meanwhile there must be soap powder, two loaves of bread, and a big bottle of ketchup. Do not forget the ketchup. Its coverage is like Christian charity, which doth embrace a multitude of sins.

The thing is, gentlemen, that thousands—say, millions—of working wives go through this exhaustion every day of their schizophrenic lives. They work all day at hair dryers, or typewriters, or accounting machines, or the teaching of little people, and at 5 o'clock, when ordinary males are ready to collapse, they coolly return home and embark upon a second day of labor. They face the contemptuous stove. In some fashion, they cope with the planning, the shopping, the coming out even. They get dinner on. What holds them up?

It is stamina, gentlemen. It is the quality of endurance that makes women, beyond all doubt, the stronger sex. It is a characteristic never sufficiently appreciated, honored, rewarded, unmarveled upon. It is a virtue never really understood until the wife is for some prolonged period in Altona, or Wilkes-Barre, or Naples. Then the male animal understands. Dimly he understands. He looks at the stove. And the stove looks back at him, four-eyed, impassive, unwilling. God bless the working wife!

Who won the election? Will the republic survive? Who cares? The facts are that those cheap lamb-like chops do not take more than maybe four or five minutes on a side, while baked potatoes take 45 minutes to an hour, and you can heat up a can of peas in 10 minutes. And anybody who wants dessert can go to the drug store. Okay? Got it? And the fatter dishes you must up, the fatter there are to cook. See? Okay?

Your correspondent has been through all this for quite some time now. His education is complete; his temper is as frayed as scraped toast; and he would like very much to have his eyes over lightly insured of staring at him with those blood-shot, watery eyes.

God bless the working wife! When the roll is called up yesterday, she'll be there!

Mrs. M. Pullman

Mrs. M. Pullman, 61, who made her home in Pearl

ington for the last 24 years,

died Nov. 4 at Charity Hospital

in New Orleans where she had

been a patient for four days.

The former Alma Bagley, daughter of the late William and Edna Kline Bagley, was born Aug. 22, 1903, in Indiana.

Surviving are her husband and one brother, H. and Bagley of New Orleans.

The funeral was Saturday

afternoon from Pearlington Methodist Church with burial in Pearlington Cemetery.

Walter E. Bazar

Final rites were Nov. 5 for

Walter Edward Bazar of Rocky

Hill who died suddenly Nov. 2

at Crosby Memorial Hospital,

Picayune. Graveside services

were at Juniper Grove Cemetery.

Born May 10, 1910, he is

survived by his widow, five

daughters, Mrs. John Karstens

of California, Mrs. Roy Kennedy of Picayune, Misses Barbara and Diane Bazar of Rocky Hill, Mrs. Dudley Billings of Tampa, Fla., four sons, J.L. Bazar of Adams, Ga., Douglas, Bobby and Dean Bazar of Rocky Hill; and four brothers, Leonard and Ester Bazar of Poplarville, Ira Bazar of Hattiesburg and Benny Bazar of Semmes, Ala.

M.A. Kirsch

Funeral services were in

New Orleans Nov. 7 for Mc-

Lain Arthur Kirsch, brother

of Mrs. Carl Carter of Waveland, Assistant superintendent

of New Orleans Sewerage and Water Board, he died suddenly at his residence at 10:25 a.m. Nov. 6.

Religious rites were at St. Rita's Church with burial in Lake Lawn Mausoleum.

Grover Kendrick

Grover Cleveland Kendrick,

72, of Picayune, father of Mrs. Minnie Pittman of Bay St. Louis, died Nov. 3 at Crosby Memorial Hospital, Picayune, where he had been a patient for seven weeks. Services were Nov. 5 at Shady Oak Baptist Church in Picayune with burial in New Palestine Cemetery.

Also surviving are the widow, a son, Oral of Wiggins, and three other daughters, Mrs. Mabel Smith, New Orleans, Mrs. T.C. Morrison, Picayune, and Mrs. Bonnie Mae Rouse, Poplarville.

Cleveland Cuevas

Final rites for Cleveland J. Cuevas, 54, who died Nov. 8 at his home in Gulfport, were last Thursday from the home of Mrs. Cuevas at Dedman with religious rites at Sacred Heart Catholic Church and burial in Standard Bend Hill Cemetery. He had been ill for eight years.

Born June 8, 1910, in Vidalia, he was a World War II veteran and survived by his wife, Mrs. Jessie Cuevas; his mother, Mrs. Rex Livings of Biloxi; one brother and seven sisters.

You can't hunt in buffer zone if it's posted

... You can't hunt on land in Mississippi ... Operations' buffer zone if it's posted "no hunting", unless you want to set into serious trouble with the federal government. Game Warden Pat Toomey sounded that warning this week in the wake of complaints from property owners in the Bayou LaCrosse section that hunters had refused to leave their land after being requested to.

... The federal government has an easement on most of this buffer zone property, Toomey notes. Therefore, the owners still control the land and if they have it posted forbidding hunting, federal trespass laws apply, Toomey cautioned.

Dearborn's Clip-On series of unvented wall heaters are small in size ... large in heating ability. A Clip-On heater is the answer when floor space is limited ... hangs on the wall. Quick and easy installation.

Clip-On heaters offer many outstanding Dearborn features:

- * Cool Safety Cabinet
- * Forward Heat Flow
- * Hi-Crown, Drilled-Port Burner
- * Stainless Steel Radiant
- * Enclosed Controls
- * Blue Flame Manual Pilot
- * Economical Operation

Select the powerful Clip-On heater when floor space is important. Available in 10, 16, and 25 thousand BTU's.

PRESIDENTIAL BOXES COME IN - Bringing in election boxes from Kila, Caesar and Dadeaux to Courthouse Nov. 3 after presidential voting are, from left, Earl R. Lader, Mrs. Lader, Mrs. K.C. Mitchell, Mrs. Rush Lader, Rush Lader and K.C. Mitchell who hand in results to Circuit Clerk Lamar Oles. Election commission Thursday canvassed vote and found Republican Barry Goldwater carried county by 2,550 votes to 1,501 for Democrat Lyndon Johnson who won. Unofficial tally was corrected to show 93 in Standard and 128 at Central School for Johnson and 138 at Pearlington and 146 at Crane Creek for GOP.

Start recruiting enumerators for census of farmers

Recruiting is under way for temporary employment should be made to Maurice Pigott, crew leader, at Rt. 1, Box 73, Pica-yune. His phone number is 798-

3100.

Payment is one a piece-work basis for collecting completed census questionnaires which have been mailed in advance to farm and ranch operators in the district for which the enumerator is responsible.

Daily pay is expected to range from \$10 to \$16, plus eight cents a mile for a car allowance. The work will last about three weeks.

MTO...

(Cont. from Page 1.)

and NASA and provides the local will not strike in violation of the labor relations act.

The walk-out resulted from a grievance with one of Leavelle-Kiewit's sub-contractors. Scott-Walsh & Co. when a master mechanic was fired. Continuation of the strike would have seriously affected millions of dollars worth of construction on all three test stands and other supporting facilities under way at the site, Styles said.

A "consent decree" will be filed in the 5th Circuit Court of Appeals in New Orleans by the NLRB after board approval to enforce the settlement.

Meanwhile employment connected with MTO seemed to another new high this week with 2,843 listed on the work force, up 82 from last week's total of 2,761.

Construction workers account for 2,301, NASA has 40, General Electric 323, GE sub-contractors 74, Corps of Engineers 150, Engineers land acquisition office 11, Weather Bureau 7, Hancock County security patrol 9, Boeing Co., 1, North American Aviation 5, Astron 3 and Sverdrup and Parcel 3.

HALLOWEEN AT HANCOCK NORTH CENTRAL - Reigning over Halloween Carnival at HNC Oct. 30 were, from left, Sheila Spiers and Reggie Lader as duke and duchess, Trudy Habert and C.J. Saucier as prince and princess, and Nancy Harmon and Dennis Peterson as king and queen. (Photo by Bob Hubbard.)

FROM UP COUNTY

By JOHN NECAHE

Many people are yelling for a return match between Bay High Tigers and HNC Hawks after the Hawks' triumphant showing against St. Martin Friday night. They beat the Yellow Jackets 31-7. Could it be that the Hawks have grown stronger and the Tigers are... oh well?

Paul Cuevas is on the injured list after receiving a slight concussion Friday night. We understand he's ready to go again but can't quite make it.

The HNC band debuted in their new uniforms Friday before the student body presenting a four-minute show on the field. The response was loud and approving.

The cheerleaders at HNC

Fla. prisoner...

(Cont. from Page 1.)

Douglas Willis and Deputy L. D. Turner when the trio stopped to eat at Trailways Truck Stop Cafe on U.S. 90. The prisoner was allowed to use the rest room, guarded by Deputy Turner who remained outside of the door, unaware that there were two doors in the room, the other leading to an adjoining bunk house. Shishock simply opened the second door, removed a panel of jalousie windows and took off.

The Hancock County sheriff's office was notified of the escape at 7:30 p.m. Aiding in the search in addition to Sheriff Lader, deputies Eldo

Diaper, Raul Tethard, Chertsey, Fayre, Sidney Bourgeois, Nolan Kingston, Fred Curran and Tommy Bourgeois, were city police. Chief Lathon, Garriga, Patrolman Bob Goodsell and Paul Elliott, using walkie talkies; Highway Patrolmen McMurray, Greer, Parker, Marx, Buttons, Davis and Inspector Faulk; Waveland officers Fred Bourgeois and Gerald V. Price, Jr.; Pica-yune policemen Bounds and Lott who brought bloodhounds; Officers Garriga and Patton, with police dogs from Gulfport; Game Warden Pat Toomey and Pearl River County Sheriff J.P. Walker.

State suggests...

(Cont. from Page 1.)

which must be voted on by the whole county school district; falls, the board expects to review all three projects.

On the motion of Beat 1 Trustee Charles Murphy, seconded by Lamar Lee of Beat 2, the board rescinded a motion adopted May 16 calling for expenditure of the Logtown sale proceeds at Gulfview for a consolidated plant. This has drawn much criticism from the Pearl-ington and Beat 1 area as a whole.

Phillips cautioned that with the reductions in the building program by the board and Naylor since last spring's plans, what will now be built now is in the "past present" tense. "We'll actually be doing below what is needed."

Naylor has expressed willingness to come to Hancock County to help promote the bond issue the two expansion projects will entail. Beat 4 Trustee S. P. Powell expressed concern that the issue will not get support from a number of leading

citizens in the north part of the county. It is presently contemplated at \$225,000 the same package have told him they would not go for one of as much as \$250,000.

Bills due October were approved for payment except those for commissary parts after E. P. Gray, board president, criticized paying from Gulfport. New Orleans and Pica-yune, taken down in Hancock County, Transportation Supervisor Arthur Boudreaux and the bus maintenance men asked to explain this at Boudreaux's meeting.

Boudreaux, Lader, the bus maintenance men and the bus maintenance men asked to explain this at Boudreaux's meeting.

Boudreaux, Lader, the bus maintenance men and the bus maintenance men asked to explain this at Boudreaux's meeting.

Boudreaux, Lader, the bus maintenance men and the bus maintenance men asked to explain this at Boudreaux's meeting.

Boudreaux, Lader, the bus maintenance men and the bus maintenance men asked to explain this at Boudreaux's meeting.

Orleanian gives police big chase

Clarence Fleming of New Orleans gave city police a hot race Friday night after his '64 model car ran the red light at Dunbar Avenue and U.S. 90 as the Bay High School football game crowds were leaving.

The car was said to have struck the neutral ground, causing damage to it and a blow-out tire. Chief Lathon, Garriga and Officer Robert Goppsell picked him up at the Main Street intersection when other traffic was stopped for the light. Highway Patrolman T.G. Greer assisted.

She underwent a major back operation in Jackson in August and will be confined to her home for several months. We all admire your courage, Gayle, and look forward to your return to school.

Deepest sympathy is extended to Diane Bazar whose father died suddenly last week.

City schools

(Cont. from Page 1.)

portant, that the state Education Finance Commission was noticeably more lenient in allowing deviation from the acreage requirement when an

improvement of an existing school was involved rather than construction of a new school in a new location.

On the architect's recommendation the board approved payment of \$11,742.18 to L.A. Eastman Co., Gulfport, for classroom construction at North Bay. Except for 10 per cent of the contract price, which the state is expected to pay, this completes payment to the contractor for the six room addition. The board also authorized payment of \$176.13 to Webb and Wagner, architects for the job.

ELECTION FINALS

County election commissioners, canvassing the Nov. 3 vote, reported 1,501 votes for the Democratic presidential electors; 2,550 for the GOP; 2,694 for Sen. John Stennis; 2,762 for Rep. William Colmer; 2,455 for Justice Tom Brady; 2,006 for Justice Ro-

bart Lee Jones.

Vote FOR the Bond Issue Nov.

HERE ARE THE ACTUAL FACTS

About the School BOND ISSUE

Questions and Answers Regarding the Bay St. Louis Public Schools

Q. What is the present pupil population of the Bay St. Louis Public Schools?

A. The present enrollment is 2,023.

Q. Is the enrollment increasing?

A. Yes, the annual increase was 100 up until this year--this year 140 over last year and increasing.

Q. Where is this increase chiefly coming from?

A. Parents moving into coastal area - NASA - birth rate for school population has doubled since 1951.

Q. Should parents without children vote for this Bond Issue?

A. Yes, better schools make better communities in which to live?

Q. How do good schools effect property values?

A. Where a community provides quality education, property values stabilize and better homes are more easily obtained.

Q. What will the entire building program cost?

A. \$1,183,000.00.

Q. What amount will the District be responsible for?

A. The entire cost. Funds in the State Educational Finance Department have gone for the expansion of Industrial Arts Department, and expansion of 6 classroom facilities at North Bay Elementary School.

Q. How many classrooms are needed for the local School District?

A. The present enrollment (2,023) indicates a need for 70 classrooms. The enrollment in September, 1965 will be approximately 2200. At least 77 to 80 classrooms will be required to house pupils at that time.

Q. How many regular serviceable classrooms does the School District have now?

A. Nearly 63. Bay Hi 14, North Bay 23, S. J. Ingram 6, Waveland 4 and Valena C. Jones 16.

Q. How do we take care of our present enrollment as to classrooms?

A. By having crowded classrooms, classes are in Music Department, Auditorium, Gymnasium and Library.

Q. Will the New High School asked for take care of needed facilities?

A. Yes. Departments such as Library, Homemaking, Science, Cafeteria and Auditorium will be built to accommodate 1,000 students. Classrooms will be constructed on a 750 pupil basis with expansion room left for added classrooms when there is a need for such.

Q. What grades will the New School have?

A. Grades 10, 11, and 12.

Q. What grades will be taught at the present Bay Hi School?

A. Jr. High composed of the 7th, 8th and 9th grades. Faci-

lities located here are adequate for a good Jr. High School.

Q. What hand do the Board Members play in school policies?

A. Board Members shape the policy of their schools. They work long hours without pay in order to bring your child and community the best in educational services.

Q. Has the enrollment been increasing for the last several years?

A. Yes. The following figures show enrollment for the last five years and also predicted figures for the next five years.

	WHITE	COLORED	TOTAL
1960-61	1028	520	1548
1961-62	1085	537	1622
1962-63	1232	562	1794
1963-64	1352	540	1892
1964-65	1453	570	2023
1965-66	1554	600	2154
1966-67	1655	630	2285
1967-68	1756	660	2416
1968-69	1860	690	2550
1969-70	1970	720	2690

Q. Will this new building benefit all the public school students or just those who are fortunate enough to attend it?

A. It will benefit all our students. Those coming from Waveland as well as Bay St. Louis, and students from the outside territory will attend High School here. Our High School students will be greatly benefited by a better and larger curriculum and also more space and facilities for extra curricular activities.

Q. Does this building Program provide facilities for Waveland School?

A. Yes. Plans are for a 2 classroom addition in order that 1-6 grades can be taught there rather than 1-4.

Q. Does this building program include facilities for the colored?

A. Yes. A 3 classroom addition plus Science and Lab Department, plus a stage for their Gymnasium.

Q. Has the Board of Trustees set up a long range construction plan meeting the school building needs?

A. Yes. It is a must that the Board keep a long range plan on file in Jackson with the State Educational Finance Commission for future expansion.

Q. What are other systems over the State doing about their school needs?

A. School systems in our neighboring county and town, as well as other school districts over the state and nation, are financing rather significant construction programs.

Q. What will the expansion program consist of?

1. HIGH SCHOOL

A. A complete high school building is to be erected on the 20 acre Blue site just off highway 90, now owned by the city. This would consist of and include 27 classrooms, gymnasium, auditorium, lunchroom, vocational building and library, and provide necessary water, heating and sewerage facilities for said school.

2. VALENA C. JONES

A. The enlarging of Valena C. Jones School will cost the amount of \$72,910 by erecting, constructing and equipping of three new classrooms, a stage in the gymnasium, a modern science laboratory, with equipment for same, providing the necessary water, light, heating and sewerage facilities.

3. WAVELAND ELEMENTARY SCHOOL

A. The erecting, construction and equipping of two modern classrooms as an addition to Waveland School will cost the amount of \$17,000 and providing for the necessary light, heating, and sewerage facilities. More classrooms will be added at this center when there are ample reasons living in Waveland District to justify such. State Department of Education allocates elementary classrooms on a 30 to 35 pupil basis per classroom. At present, we have 222 students in Waveland District, which calls for 6 classrooms. Grades taught at this center will be 1-6 grades and not 1-4. All students from 7-12 grades will have the opportunity of attending the Bay St. Louis Jr. High School at the new Bay St. Louis High School under proposal.

4. DRESSING ROOM FACILITIES

A. The erecting, constructing and equipping of a medium dressing room building and storage in the rear of the stadium will cost the amount of \$33,900 to be used by both Jr. High and High School classes for both our school system and visiting teams from other schools. Said building to be located on the corner of the stadium owned by the school district which is situated in the rear of the North Bay Elementary School.

Legal fees both National, State and Local plus printing and other costs in the amount of \$12,991.

The millage rate of increase will not be more than 7 mills perhaps 6 mills for the first year said the commission members, and decrease each year thereafter. This means taxpayers will pay the first year an additional 75¢ for every \$100.00 of assessed valuation on their property. For example, the owner of a home with an assessed value of \$10,000 will pay an extra \$3.75 the first year and less each year thereafter.

If you have other questions or would like to have additional information, please call HO 7-6621 or get in touch with any member of the City Council or Board of Trustees of the Bay St. Louis Municipal Separate School District.

Logtown this with Phytone it homecoming

Logtown's homecoming game against the Poycama Packers ended in a 7-0 victory for the home team. After a second-period quarter, the Poycama Packers' defense held the Logtown offense to a second-period mark with their Harold Morrison running goal and point for a 7-0 halftime write-up.

The Rockets countered in the third with a touchdown by O.J. Mitchell and an extra-point run by Tommy Joe McArthur. The two 11's held each other to no further tallies through the final quarter.

Coach Red Davis was high in praise of his young team's performance in this last game of Logtown's first, and probably only, football season. The Logtown plant is to be vacated from the MTO buffer zone at the end of this school year.

Bridge club elects pair, tells winners

Mrs. Kenyon Harrington was elected director-president of the Bay Bridge Club, succeeding Wolfgang Horn who has been transferred elsewhere by his company, when the club met Friday evening at the Garden Center on Leonhard Avenue.

Mrs. L. W. Nybo was elected secretary to succeed Mrs. Horn. Mrs. Charles Carter continues as vice president.

Mrs. Norton Haas and Mrs. G.R. Head won first place in the five-table Howell movement competing for master points.

Mr. and Mrs. George Koomos were second with Mrs. Carter and Miss Amelia Scaffie third and Mr. and Mrs. Charles Van Meter fourth.

Anyone who is interested in playing duplicate bridge on Friday evenings may call Mrs. Harrington at HO 7-7294.

DON'T RENT THIS HOME BUY IT WITH YOUR RENT MONEY!

If you are paying rent, says Jim Walter, famous builder of Jim Walter homes, you may be able to purchase a beautiful home for the same amount of money.

For example, \$50 a month amounts to \$7,200 in 12 years; \$60 a month amounts to \$8,640 in 12 years; \$70 a month amounts to \$10,800 in 12 years and if you can afford to pay \$100 a month for 12 years the amount will total \$14,400! Instead of having nothing to show for your rent money you can have the home of your dreams.

You don't even need to pay anything down — the Jim Walter Corporation will finance your home 100%. The only requirement is that you must own your own lot or homestead free and clear. After that, the rest is easy.

There are 21 different Jim Walter home plans to select from, and many different floor plans. You can have a one-bedroom, two-bedroom, three-bedroom or four-bedroom home completely finished outside, then choose from 44 different inside options either furnished or installed.

If you own a lot, or can afford to buy one for cash, write today for the Jim Walter catalog of homes. See how much you can buy for the amount of rent you are now paying. You will be pleasantly surprised. Mail coupon right now — there is no obligation.

Hawks stun St. Martin

Hancock North Central Hawks stunned St. Martin Friday night to win what will probably be the upset of the season for the Gulf Coast Conference. HNC downed the powerful conference runner-up in a 31-7 game that left no doubt concerning the superiority of the Hawks over the Yellow Jackets.

Captain Earl Lee's 11 run up for 31 points in a three-quarter game before allowing St. Martin a single tally in the fourth period. Quarterback Eddie Peterson passed 25 yards to end Wendell Lader for the first Hawk TD and dashed over from three yards out for the second.

Peterson ploughed through the middle for a two-yard goal in the second period to give the Hawks a lead of 18-0. Eddie, always ready, crossed the line again in the third stanza with a seven-yard punch. Peterson also scored the only extra point for HNC after Wendell Lader.

Hancock North Central took on the Blue Devils from Pearl River Central tomorrow night in Hawk Stadium. The game against HNC completed the St. Martin regular schedule; the Yellow Jackets will play a final, post-season game at the Turkey Bowl tilt in Biloxi Thanksgiving night.

BHS holds Hounds to 27-19 margin

Bay High's Tigers gave the Greyhounds from Ocean Springs an unexpectedly rough time Friday night though losing to the conference leaders 27-19. After getting off to a bad start, the Tigers put in their best performance of the season in holding back the visitors.

Larry Johnson's initial kickoff to the Greyhounds went into the end zone and was brought out to the Ocean Springs 20-yard line. From there, on the first scrimmage play, David Beaugez passed to Joe Williams who went right through the Tigers and all the way to pay dirt. Beaugez kicked the extra point to give the Greyhounds a 7-0 lead in the early seconds of the game.

Before the end of the first period, Ocean Springs had run the lead to 14-0 on a scoring run by David Janavich and another extra point kick by Beaugez.

In the second quarter, Bay High's Mike Strong put the host team into the ball game with a one-yard plunge, no conversion, but the Greyhounds countered on a 16-yard pass from Beaugez that scored Janavich and a point booted by quarterback Beaugez.

Taking possession with 29 seconds of the first half remaining on the clock, Tiger coach Lance Lumpkin called for the shotgun formation. The play shook up the Greyhounds and earned the Tigers considerable yardage, but not enough to score before the halftime whistle.

Bay High collected the third quarter honors when end Larry Johnson intercepted an Ocean Springs pass and goaled it from 21 yards out. Johnny Penton, almost trapped in the try for the extra point, managed to pitch out to Mike Strong who carried it over. The Tigers got even closer in the final period; Penton took a handoff from fullback Gary Fricke to threaten the Greyhounds 19-21. But the visitors increased the win to 27-19 in the last two minutes of the bout when Mike Lips scored on a handoff from Beaugez.

The Tigers will have their last outing of the 1968 season Friday when they travel to Long Beach to tackle the Red Rebels of Harrison Central. The game was postponed from the weekend of Hurricane Hilda.

FEAST FOR THE HAWKS - Hancock North Central's football players enjoying barbecue at home of Mr. and Mrs. Eric Larsen Oct. 31 are, from left, Buck Langer, Kenny Randall, Eddie Ruzicka, Eric Larsen, Jr., Wayne Cuevas, Eddie Schambach and Wendell Lader. W.M. Randall and Earl Lader were chefs. Besides players, guests were Mr. and Mrs. J.D. Penton, Coach and Mrs. Earl Lee and children, Mr. and Mrs. Otis Woods, Mrs. W.M. Randall and children, Miss Shirley Wallace, girls' coach, Mr. and Mrs. Gary Baynes and children of Chalmette, La., Doc Thigpen of HNC faculty, Mr. and Mrs. Jerry Mitchell of Kiln, Charlene Mitchell, Marie Havard and cheerleaders Pat Holden and Lena Mae Garriga. Mr. Larsen is newly elected school board member from Beat 4.

Dump Van Cleave 33-7

Rocks post 7th victory

St. Stanislaus College enjoyed its seventh straight gridiron win in a perfect season by downing Van Cleave and spoiling the Bulldog homecoming 33-7 Friday night.

The Rockchaws worked up steam after a scoreless first quarter, gathering in two touchdowns in the second, one in the third, and two more in the fourth. Van Cleave's single markup came in the second period with quarterback Steve Dyess diving a yard for the TD and Eugene Fountain running the point.

Coach Billy Murphy's score-producing evening began with Rockchaw Curtis Matherne producing six points on a seven-yard run. Later in the first quarter, Matherne passed to Bobby Doskey for a touchdown run of 62 yards, and Matherne accomplished the point on an end run.

Opening the third quarter with a lead of 13-7, the Rocks added another tally when Matherne recovered his own team's fumble on the Bulldog five-yard line and carried it over.

Last period scores were credited to Doskey, who took a pass from Matherne for 20 yards and intercepted one of Van Cleave's for 38 yards. Rusty Judlin made both extra points on running plays.

St. Stanislaus faces Gulf Coast Conference leader Ocean Springs Saturday night at the Rockchaw homecoming in St. Stanislaus stadium.

NOTICE OF SALE

WHEREAS, on September 4, 1962, Melvin B. Luxich, a single man, executed a deed of trust to E.R. Edwards, Trustee for the benefit of Jim Walter Corporation, which deed of trust is recorded in Record Book 92 at Page 460 in the office of the Chancery Clerk of Hancock County, Mississippi, and

LEGAL NOTICES

door of the County Court House of Hancock County at Bay St. Louis, Mississippi, for cash to the highest and best bidder, the following described property lying and being situated in Hancock County, Mississippi, being more particularly described as follows, to-wit:

Start from the point where the northerly projection of the Easterly margin of the Toulum Avenue intersects the centerline of the Lower Bay Road, thence North 81 degrees 00' East, along said centerline, 280.05 feet, thence South 25 degrees 30' East a distance of 31.30 feet to an old fence post on the Southerly margin of the Lower Bay Road right-of-way for the point of beginning of subject parcel of land, thence North 81 degrees 00' East, along said Southerly margin of the Lower Bay Road right-of-way, 52.15 feet to a stake, thence South 25 degrees 30' East a distance

There are at least 11 good reasons for insuring your car, home, or business through a man who displays this seal

Will you get these benefits if you buy insurance directly from some companies? An independent agent represents several insurance companies; therefore he's able to do the following:

1. He selects the right policies for you.
2. He gives you impartial advice.
3. He helps you with claim details when you have a loss.
4. He makes sure you are paid promptly, fairly.
5. He gives continuous, personal service.
6. He represents only strong, reliable companies.
7. He is alert to new developments.
8. He knows local conditions.
9. He is professionally trained.
10. He is available day and night.
11. He has 150,000 associates coast to coast who will give you help at any time.

As independent agents, we are ready to give you complete insurance protection for car, home, or business... ready to serve you first! Call us any time.

Polly peers

(Cont. from Page 2.)

Tenn., and now makes her home in Jacksonville, Fla.

Fred Hosland is tossing a big party for employees and their wives or girl friends Saturday night in celebration of Hosland Ford's second year in business in the Bay. Steaks and all trimmings will be consumed at the Court Street show-room.

Gripe corner

We've been requested to make a few unkind remarks about night drivers who apparently don't know what the dinner switch on their automobile is for! When driving on lighted city streets, bright lights are superfluous and if you must follow on the very tail of the car ahead, please dim...the glare virtually blinds the driver ahead of you!

Mr. and Mrs. Chris Amos are spending a few days at their Waveland summer home.

Winnie and Jack Holm, who dined at Haverly's Sunday with Marie and Marvin Mancil, passed on the word that Pat and Scotty Taylor like San Francisco but still miss the coast—in fact they called the Holms long distance to find out how we all survived the hurricane. Winnie and Jack spent last week at their Broad Street home but were slightly inconvenienced as they forgot to pack some relatively important items of apparel.

Betty (Mrs. Edward P.) Phillips was driven home from New Orleans Sunday by her niece and nephew, Mr. and Mrs. F. Lloyd Monroe, and her sister, Mrs. Horace P. Phillips after spending last week in Bar, Eye, Nose and Throat Hospital where she had ear surgery. She's fine and didn't act much like an invalid while hospitalized, dining with friends at Galatoire's one night and at Del Montico's another. She also visited Buddy Dufour twice and reports him well on the road to recovery, although he's to remain in the hospital until the end of the week.

Joy of eating

Ada Edel is busily preparing to cook some of her delicious seafood gumbo for a dinner to be sponsored by the Sodality of St. Clare's Catholic Church. The affair will begin at 6 p.m. Friday, Nov. 20, at the parish hall.

Another gourmet delight coming up will be the annual turkey dinner for the Altar Society of Our Lady of the Gulf Church. As always, under the direction of Stella Gex, it's to be between 11 a.m. and 2 p.m. on Sunday, Nov. 22, in the school cafeteria. Margaret Otis is ticket chairman and anyone desiring to purchase same need only contact her.

It's good to see Malise (Mrs. Ducre) Bourgeois up and around again. Malise has been hospitalized for treatment of bursitis.

Tootsie (Mrs. Dominick) Souler is a patient at Ochsner Foundation Hospital in New Orleans where she had surgery on Tuesday. She's doing fine, although still has no idea when doctors will allow her to return home.

Our apologies to Evelyn Swanson—when we wrote about Suzanne, Eleanor and Bob Whitson's new "daughter," we neglected to mention that Evelyn had acquired her brother Pepe. They're miniature poodles, just in case anyone doesn't already know.

SIGHTS AND SOUNDS A-LONG THE WAY—Just about everybody in town using Valens C. Jones homecoming parade as an excuse to bask in the warm Saturday afternoon sunshine, barefoot children running around in November yet the still summertime look of plants loaded with sun-baskers, fountains and crabgrass and the sounds of birds singing as early as 10 a.m. May instead of almost Thanksgiving.
